Dr. Andrew Marshall
Director, Net Assessment
Department of Defense
Washington, D.C.

Dear Andy:

In connection with your after action studies of recent hostilities in the Falklands and Lebanon, I have asked General Atkeson, my National Intelligence Officer for General Purpose Forces, to stay abreast of the work and to keep me informed. I would particularly appreciate your insuring that he has appropriate access to compartmented studies in the intelligence and special operations areas.

Yours,

William J. Casey
